

Thank you to the reviewers for taking the time to read the manuscript and for the valuable and insightful comments.

To reviewer #2:

- We have arranged all the studies in the text, figures, and table, in chronologic order.

To the science editor:

- We have uploaded an original editable copy of all figures in a power point presentation in the right chronological order. We have also uploaded the table as a docx file.
- We have added the “article highlights” section at the end of the main text.
