

## Answering Reviewers

Reviewer #1:

1. Although English is the author's mother language, there are still needs some polish.

**Our response:** The manuscript has been critically read and edited by our professional scientific reader, Jeffrey Isenberg MD, MPH.

2. Besides, according to the PMID numbers of Figure 2 and Figure 3 provided by the author, I could not find the publication.

**Our response:** Figures 2 and 3 were obtained from NCBI. In the revised version, we added the legends of Figures with the origin of the figures and URL. We also added the reference 20 to the legends of Figures and manuscript.

3. I am also confused by the analysis time marked on the graph.

**Our response:** It was not the analysis time. In the revised version, we included RPKM (Reads Per Kilobase Million) in the legends of Figures.

**Science editor:**

1. The study was supported by Jie Chan Chen Foundation. The topic has not previously been published in the WJD.

**Our response:** It was deleted from the title pages.

2. The authors did not provide original pictures.

**Our response:** Figures were reformatted and submitted in PowerPoint.

3. PMID and DOI numbers are missing in the reference list.

**Our response:** The reference list was revised extensively accordingly to the guideline from the publisher.
