Subject: Language certificate letter for Manuscript

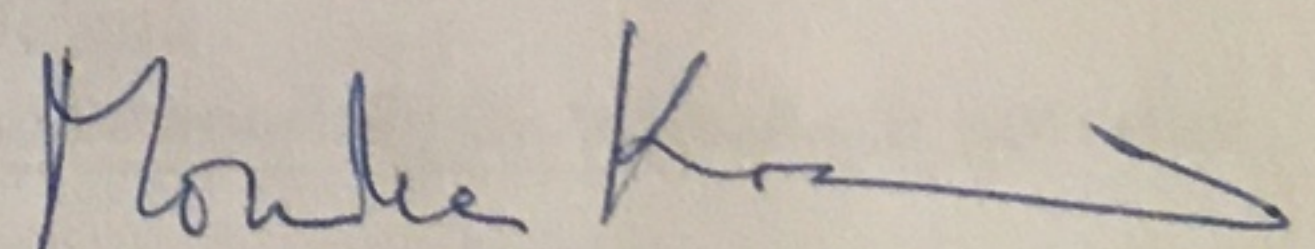

Title: **Diabetes-related intestinal region-specific thickening of ganglionic basement membrane and regionally decreased matrix metalloproteinase 9 expression in myenteric ganglia**

Authors: **Nikolett Bódi, Diána Mezei, Payal Chakraborty, Zita Szalai, Bence P Barta, János Balázs, Zsolt Rázga, Edit Hermes, Mária Bagyánszki**

Dear Editor,

I hereby certify that following my instructions the language (British English) of manuscript entitled: "Diabetes induces a region-specific increase in the number of myenteric serotonergic neuron **Diabetes-related intestinal region-specific thickening of ganglionic basement membrane and regionally decreased matrix metalloproteinase 9 expression in myenteric ganglia** s" has now reached grade A.

Sincerely yours,

Monika Krecsmarik
