1. The manuscript is very well written. However, the manuscript requires an editing. Some minor language polishing should be corrected. And the format should be updated according to the guideline of the journal.

Thank you for your advice. The manuscript has been re-submitted and retouched on the AJE system. We have updated the format according to the guideline of the journal.

2. Figures are good. But please move the figures to the end of the manuscript. And the quality of the images should be updated. If the figure 2 and figure 3 can change to color images, it will be better.

Thank you for your advice. We have moved the figures to the end of the manuscript and updated the images. Figure 2(Figure 1B) and figure 3(Figure 1 C) are the SEM images of the morphology of IRMOF-3 and NCTD-IRMOF-3-Gel, which can't be change to color images.

3. Please double check the Equations in table 1.

Thank you for this advice. We have checked the Equations again and guaranteed they were correct.

4. Please edit the references list.

Thank you for your advice. We have revised the references list.
