Dear Editor,

This is to certify that the manuscript: “**Viscoelastic tests in liver disease: where do we stand now?**”, by Alina Buliarca, Adelina Horhat, Tudor Mocan, Rares Craciun, Bogdan Procopet and Zeno Sparchez, from the Iuliu Hatieganu University of Medicine and Pharmacy, Cluj Napoca Romania has been revised for the accuracy of the English language, and we can guarantee that the level of the English language in this manuscript meets international standards.

Our company is specialized in professional medical translations – we have translated and/or revised a great number of American English and British English manuscripts that were accepted as such to be published in prestigious journals. Also, I am an established English Editor for a number of Romanian International medical journals and as a native English speaker have over 20 years’ experience in such work.
