## [Cureus | Herpes Zoster Co-Infection in an Immunocompetent ...](https://www.cureus.com/articles/36218-herpes...)

<https://www.cureus.com/articles/36218-herpes...> ▼

Severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) has a broad spectrum of manifestations. A variety of dermatological manifestations were described. We present a case of an immunocompetent middle-aged man who presented with novel coronavirus disease 2019 (COVID-19) and later developed herpes zoster (HZ). The case highlights the possibility of ...
