

***Dear Editor in Chief:***

*We are elated to submit this review on (**Management of Urological Trauma- Current Evaluation from the Sub-Saharan Region**) to your illustrious journal. The article intends to provide insight on the epidemiology and management of genitourinary trauma in Sub-Saharan African (SSA) with major highlights to the current standard of care. Due to the paucity of data on the subject in SSA, the manuscript has synthesized the available literature in the sub-Saharan region to provide some insight.*

*This manuscript has never been published nor under consideration for publication by any journal. All authors have fully read and approved the submission of this manuscript. Hope you find this manuscript suitable for your journal.*

*All authors are native English language speakers.*

*Thanks for the usual cooperation*

*Kind regards,*

*Dr. Ayun Cassell*
