

CIRB Ref: **2017/2847**

11 October 2017

Dr De Roza Marianne Anastasia  
Department of Gastroenterology and Hepatology  
Singapore General Hospital

Dear Dr De Roza

### **SINGHEALTH CENTRALISED INSTITUTIONAL REVIEW BOARD (CIRB) APPROVAL**

**Protocol Title: Factors associated with poor outcomes in patients with NASH and features of AIH**

We are pleased to inform you that the SingHealth CIRB E has approved the above research project to be conducted in Singapore General Hospital.

The documents reviewed are:

- a) CIRB Application Form dated 29 Sep 2017
- b) Data Collection Form (excel format): Version 2 dated 31 Aug 2017

The SingHealth CIRB has approved your request for waiver of informed consent based on ethical consideration. Please ensure that this study complies with your Institution policies.

The SingHealth CIRB operates in accordance with the ICH/ Singapore Guideline for Good Clinical Practices, and with the applicable regulatory requirement(s).

The approval period is from **11 October 2017 to 10 October 2018**. The reference number for this study is CIRB Ref: **2017/2847**. Please use this reference number for all future correspondence.

The following are to be observed upon SingHealth CIRB Approval:

1. No subject should be admitted to the trial before the Health Sciences Authority issues the Clinical Trial Certificate. (only applicable for drug-related studies).
2. The Principal Investigator should ensure that this study is conducted in compliance with the Singapore Guideline for Good Clinical Practice, the ethical guidelines of which are applicable to all studies to be carried out, and to ensure that the study is carried out in accordance to the guidelines and the submitted protocol. The Principal Investigator should meet with his collaborator(s) regularly to assess the progress of the study, and be familiar and comply with all applicable research policies in the Institution.

**PATIENTS. AT THE HEART OF ALL WE DO.®**

**SingHealth Academic Healthcare Cluster**

Singapore General Hospital • KK Women's and Children's Hospital  
National Cancer Centre Singapore • National Dental Centre Singapore • National Heart Centre Singapore • National Neuroscience Institute  
Singapore National Eye Centre • SingHealth Polyclinics • Bright Vision Hospital • Sengkang Health

3. No deviation from, or changes of, the protocol should be initiated without prior written SingHealth CIRB approval of an appropriate amendment, except when necessary to eliminate immediate hazards to the subjects or when the change(s) involve(s) only logistical or administrative aspects of the trial (e.g. change of monitor(s), telephone number(s)).
4. Only the approved Participant Information Sheet and Consent Form should be used. It must be signed by each subject prior to enrolling in the study and initiation of any protocol procedures. Two copies of the Informed Consent Form should be signed and dated. Each subject or the subject's legally accepted representative should be given a copy of the signed consent form. The remaining copy should be kept by the PI / medical record.
5. The Principal Investigator should report promptly to the SingHealth CIRB of:
  - i. Deviations from, or changes to the protocol including those made to eliminate immediate hazards to the trial subjects.
  - ii. Changes increasing the risk to subjects and/or affecting significantly the conduct of the trial.
  - iii. All serious adverse events (SAEs) and adverse drug reaction (ADRs) that are both serious and unexpected.
  - iv. New information that may affect adversely the safety of the subjects or the conduct of the trial.
  - v. Completion of the study.
6. Study Status Report should be submitted to the SingHealth CIRB for the following:
  - i. Annual review: Status of the study should be reported to the SingHealth CIRB at least annually using the Study Status Report.
  - ii. Study renewal: the Study Status Report is to be submitted at least two months prior to the expiry of the approval period. A valid SingHealth CIRB renewal is essential, as any research performed outside of an approved time frame is not legal, and thus not covered by the hospital's research insurance in case of unexpected adverse reactions.
  - iii. Study completion or termination: the Final Report is to be submitted within three months of study completion or termination.

Yours sincerely,

A/Prof Agnes Ng  
Chairman  
SingHealth Centralised Institutional Review Board E

cc: Institution Representative, SGH  
Head, Department of Gastroenterology and Hepatology, SGH
