<b>Peer-reviewer statements</b>	Peer-Review: <input checked="" type="checkbox"/> Anonymous <input type="checkbox"/> Onymous Conflicts-of-Interest: <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No

#### **SPECIFIC COMMENTS TO AUTHORS**

This manuscript reported a rare disease. Chondrosarcoma is not uncommon clinically, but primary laryngeal chondrosarcoma is rare. The case report in this paper is detailed and accurate which has a certain guiding significance for clinical practice. It may be more convincing if it can be accompanied by preoperative and postoperative endoscopic photos.
