

## **Letter of undertaking**

### **To whom so ever it may concern**

I, Dr Alben sigamani the corresponding author of the manuscript titled “Diabetes and COVID\_19: the relationship between inflammation and portal circulation” declare that I have high command in English and has published more than 20 articles in international peer reviewed journals. I have shared the manuscript to one of our collaborators who is in the process of reviewing it. In addition, we have used Grammarly to edit and improve the manuscript.

Dr Alben Sigamani MBBS, MD, MSc. (for all authors)
