Croatia

February 8, 2021

This document certifies that the manuscript "***Is arthroscopic removal an effective treatment option for intra-articular osteoid osteoma of the knee?***" authored by ***Mihovil Plečko, Alan Mahnik, Damjan Dimnjaković, and Ivan Bojanić*** was edited for proper English language, grammar, punctuation and spelling. Therefore, it has been rated with: ***Grade A (sufficient for publication, no need for additional revision)*** and may undergo further steps in the publication process.

For any additional information, please do not hesitate to contact me.

Yours faithfully,

Iva Hundak, MA
English Language and Literature Teacher,
School of Economics, Commerce and Catering
