

## ANSWERING REVIEWERS

February 5<sup>th</sup>, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 6409-review.doc).

**Title: Genetic predisposition to colorectal cancer: where we stand and future perspectives**

**Author:** Laura Valle

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 6409

The manuscript has been improved according to the suggestions of reviewers:

1. English has been edited by the American Journal Experts: <http://www.aje.com>. The certificate delivered by the editing company is attached.

Also, a total of three new reference has been added to the manuscript (the articles were published after I first submitted the manuscript to the journal), and the manuscript has been formatted according to the instructions provided.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology* as topic highlight.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Laura Valle', with a long horizontal flourish extending to the right.
