My Essay

ZiboYimore Translation CO. LTD

12/02/2021

To whom it may concern:

The purpose of this letter is to verify that Zibo Yimore Translation CO. LTD provided the English proofreading services for the following thesis: ***Idiopathic mesenteric phleboscrosis associated with long-term oral intake of geniposide: Case series and literature review***

Author: Yang wen

The basic language editing including the correction of grammar, punctuation and syntax was performed normatively with our best efforts. And the edited document was returned to the writer on 02/12/2021. We are unaware of any changes or additions made to the manuscript after that time. We have kept the specimen of the received original file in case of any legal dispute.

Sincerely,

Henry Graff
