SPECIFIC COMMENTS TO AUTHORS

English language needs to be improved. Rest it is a good paper worth publication.

SPECIFIC COMMENTS TO AUTHORS

Thank you for the article - please provide details of the histological findings on the cystectomy specimen and if there was a biopsy of the metastatic deposit - please include images. What were the side effects of the drug regimen ? When would the authors suggest use of this drug in the multitude of treatment options - please add a paragraph to the text.

SPECIFIC COMMENTS TO AUTHORS

I enjoyed reading this case. I would recommend to also determine whether risk factors for urothelial carcinoma were present in the patient's history and whether they influenced the possible chemotherapy response.
