

**Biostatistics statement**

To whom it may concern

Title: **New-onset diabetes in COVID-19 and clinical outcomes: a systematic review and meta-analysis**

Chief investigator: **Dhan Bahadur Shrestha**

Department of Emergency Medicine, Mangalbare Hospital, Morang, Nepal

This is to confirm that, two of we authors have run the analysis of this meta-analysis, and in our opinion the statistical methods and techniques mentioned in the manuscript are appropriate.

For any queries please reach to me.

Sincerely

**Dhan Bahadur Shrestha**

Department of Emergency Medicine, Mangalbare Hospital, Morang-56600, Nepal
