Subject: Return of corrected manuscript

Dear Dr. Kanno,

Hello again, and thank you for having e-mailed me your new manuscript for correction by regular service. The corrected version is attached as file NO: 64760.

As usual, the invoice will be sent by air mail and should arrive in a few days from now.

Incidentally, before I send the invoice, please confirm your mailing address, as I think you made a typographical error (you indicated Amami, Shizuoka, but shouldn't it be Atami, Shizuoka?)

Please reply as soon as possible.

Sincerely yours,

Dr. L. Frye
