Title: From portal to splanchnic venous thrombosis: What surgeons should bear in mind

Authors (typed): Quirino Lai, Gabriele Spoletini, Rafael S. Pinheiro, Fabio Melandro, Nicola Guglielmo and Jan Lerut.

English style has been largely reevaluated by a native English speaker, namely Reena Ravikumar, Specialty Registrar in General Surgery, London, UK. We added her name in the "Acknowledgments" part for her support with English style revision.
