Respected Editor,

I am offering a revised version of review article “**Novel approaches in schizophrenia - from risk factors and hypotheses to novel drug targets**” of Matej Ľupták, Danica Michaličková, Zdeněk Fišar, Eva Kitzlerová, Jana Hroudová, manuscript no. 64860.

**Response to reviewers:**

The manuscript was carefully revised and corrected according to reviewer's and Editorial Office's comments and suggestions.

The authors provide the approved grant application form of GA UK, Grant No. 34119 given by the Grant Agency of Charles University. Projects Progres Q25/LF1 and Q27/LF1 of Charles University are institutional projects for Charles University research, without any application form.

References were corrected according to the requirements of the journal.

Table and image were uploaded as separated files.

Copyright license agreement was signed by all the authors, scanned version was uploaded.

The authors declare that they have no conflicts of interest concerning this article, Conflict-of-Interest Disclosure Form was uploaded as accompanying document.

Kindly acknowledge the receipt.

With best regards,
