

Teenage Pregnancy: Socio-demographic profile at tertiary level maternity hospital, Nepal

INTERVIEW SCHEDULE

2074 BS (April 2017 AD)

THIS QUESTIONNAIRE IS ONLY FOR THE MARRIED WOMEN OF REPRODUCTIVE AGE (13- 25 YEARS)

INFORMED CONSENT

Namaste, My name is _____, and I am here on behalf of Initiative for Research Education and Community Health (In-REACH- Nepal) to collect information related to mother and child health. We are conducting an

Interview and would appreciate your participation. With your consent I would like to ask you some questions related to your pregnancy, tradition of alcohol consumption practices, child health status and at the same time I would check your laboratory report. The true information provided will help to save mothers and children of Nepal in long run. The questionnaire will take 25- 30 minutes to complete. The information provided will be kept strictly confidential and will only be used for the study purpose.

Participation in this survey is voluntary and you can choose not to answer any individual question or all of the questions. If you feel any discomfort during the process of interview you have right to stop anytime. However, we hope that you will participate in this survey since your views are important.

At this time, do you want to ask me anything about the survey?
