

Proofread My Essay

21/04/2021

To whom it may concern:

The purpose of this letter is to verify that Zhongshan U-YES Translation Service CO. LTD provided the English proofreading services for the following thesis :**Rare isolated extrahepatic bile duct injury: A case report and literature review**

Author:Jian Zhao

The basic language editing including the correction of grammar, punctuation and syntax was performed normatively with our best efforts. And the edited document was returned to the writer on 07/06/2020. We are unaware of any changes or additions made to the manuscript after that time. We have kept the specimen of the received original file in case of any legal dispute.

Sincerely,

Hemy Graff
