The authors state that:

The manuscript is not simultaneously being considered by other journals.

The manuscript has no redundant publication, plagiarism, data fabrication or falsification.

There is no conflict of interest in the paper.

We agree to transfer to BaiSheng Publishing Group Co., Limited all rights of the manuscript, including: (1) all copyright ownership in both print and electronic formats; (2) the right to grant permission to republish or reprint the stated material in whole or in part, with or without a fee; (3) the right to print copies for free distribution or sale; and (4) the right to republish the stated material in a collection of articles or in any other format. Articles published by this publisher are distributed under the terms of the Creative Commons Attribution Non-commercial License, which permits use, distribution, and reproduction in any medium, provided the original work is properly cited, the use is non-commercial and is otherwise in compliance with the license.

There are no grammar, syntax, spelling, punctuation or logic errors.
