

## **Biostatistics statement**

To Whom it May Concern,

### **Effect of NSAIDs on Fracture Healing in Children: A Systematic Review**

The following manuscript has been reviewed by a member of our research team with biostatistical expertise and appropriate statistical methodology and analysis were utilized.

Sincerely,

A handwritten signature in black ink that reads "Ishaan Swarup". The script is cursive and fluid, with the first letters of the first and last names being capitalized and prominent.

Ishaan Swarup, MD

Assistant Professor of Clinical Orthopaedic Surgery
