**Submucosal haematoma with a wide range of lesions, severe condition and atypical clinical symptoms: A case report**

Liu L *et al.* A rare case of submucosal hematoma

Liang Liu, Xing-Jie Shen, Li-Jun Xue, Shu-Kun Yao, Jing-Yu Zhu

## Abstract

### BACKGROUND

Submucosal hematoma (SH) is one of the rare causes of upper gastrointestinal bleeding. As a rare and critical disease in clinical practice, it should be paid more attention to by clinicians to avoid missed diagnosis and misdiagnosis. Most of the esophageal
