To anyone it may concern,

The statistical analysis of the article entitled “Red Blood Cell Distribution Width in Elderly Hospitalized Patients with Cardiovascular Disease” was performed and verified by the author Konstantinos Tryposkiadis (independent biostatistician, Athens, Greece)

Konstantinos Tryposkiadis, MSc

Email: ktryposkiadis@gmail.com

Athens, Greece

A handwritten signature in blue ink, appearing to read 'Tryposkiadis', with a long horizontal stroke extending to the right.
