BAISHIDENG PUBLISHING GROUP CO., LIMITED COPYRIGHT ASSIGNMENT

Name of Journal: World Journal of Gastrointestinal Pharmacology & Therapeutics

ESPS Manuscript No: 6539

Title: Histamine₂-Receptor Antagonists: Rapid Development of Tachyphylaxis with Repeat Dosing

Authors: Johnson W. McRorie, Jr., James A. Kirby and Philip B. Miner, Jr.

The above titled manuscript is an original work that is an accurate and objective summary of existing data from numerous publications in the medical literature. No portion has been copied or replicated without appropriate reference(s). Written permission has been obtained to reproduce the figure in the manuscript. The manuscript is not being simultaneously considered for publication by other journals, and has not been published elsewhere.

The authors agree to transfer to Baishideng Publishing Group Co., Limited all rights of the manuscript, including: (1) all copyright ownership in both print and electronic formats; (2) the right to grant permission to republish or reprint the stated material in whole or in part, with or without a fee; (3) the right to print copies for free distribution or sale; and (4) the right to republish the stated material in a collection of articles or in any other format. Articles published by this publisher are distributed under the terms of the Creative Commons Attribution Non-commercial License, which permits use, distribution, and reproduction in any medium, provided the original work is properly cited, the use is non-commercial and is otherwise in compliance with the license.
