

CERTIFICATE OF ENGLISH EDITING

Date: 31 March 2021

To whom it may concern:

This letter confirms that the manuscript detailed below was edited for proper English language, grammar, spelling, punctuation and overall style by one or more of the highly qualified native English speaking editors at EasyEdition (Easyedition Technology Service Co. Ltd.). Neither the research content nor the authors' intentions were altered in any way during the editing process.

Documents receiving this certification should be English-ready for publication – however, the author has the ability to accept or reject our suggestions and changes. To verify the final EasyEdition edited version, please contact EasyEdition at easyedition@163.com

Best Regards,

Easyedition Technology Service Co. Ltd.

Manuscript Title: Extremely high titer of hepatitis B surface antigen-specific antibodies in a primary hepatocellular carcinoma patient: a case report

The Corresponding Authors: Yonglin Yang

EasyEdition provides paper evaluation, professional translation and language editing services to researchers and publishers around the world. Our stringent quality control and experienced native English-speaking Ph.D. and M.D. editors provide the highest quality editing services available. We do not employ students or non-scientific-degreed editors. To learn more about our premier scientific editing and copyediting services, please visit our website at www.easyedition.net.
