### **Reviewer comment:**

*Reviewer #1:*

*Scientific Quality: Grade B (Very good)*

*Language Quality: Grade B (Minor language polishing)*

*Conclusion: Accept (General priority)*

*Specific Comments to Authors: I have read with interest this case report. Authors provided a detailed and well described case presentation Language was clear and easy to understand. I have no specific concerns with this paper. I recommend publication just after a minor language revision.*

Response: We have once again polished the language of this article. Thank you.
