Editorial certificate

To whom it may concern

This document certifies that the manuscript reported below and the related abstract were edited for proper English language, grammar, punctuation, spelling, and overall style by a highly qualified translator and a native English-speaking editor.

Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes.

Manuscript title: "Covid-19 emergency: changes in quality of life perception in patients with chronic liver disease. An Italian single-centre study".

Authors: Alessandra Zannella, Silvia Fanella, Massimo Marignani, Paola Begini.
