

UNIVERSITY OF CALGARY  
CUMMING SCHOOL OF MEDICINE  
Department of Paediatrics

March 23, 2021

To Whom it may Concern:

This letter is to confirm that statistical analyses of the manuscript entitled "*Impact of Stimulant Medication on Behavior and Executive Function in Children with Attention-Deficit/Hyperactivity Disorder*" were performed and complied with for the requirements necessary by the Alberta Children's Research Institute and the University of Calgary, Calgary, AB, Canada.

Sincerely,

A handwritten signature in black ink that reads "Jean-François Lemay".

Dr. Jean-François Lemay MD CPSQ FRCPC  
Developmental Pediatrician  
Section Chief Developmental Pediatrics  
Alberta Children's Hospital (ACH)  
Co-director Global Child Health Unit (GCHU)  
Professor, Cumming School of Medicine, University of Calgary  
Calgary, Alberta, Canada
