SPECIFIC COMMENTS TO AUTHORS

Line 33: Please add the word "Scapholunate" for SLAC Line 199: Please change whereas to where Line 207: please improve the flow of sentence here as it is very confusing to the reader. Maybe mention as " A systematic review of long term outcomes of PRC studies..... Line 219: What exactly the authors mean by controversial findings? Line 230:Can the authors be specific about what type of studies are they referring to here? Can the authors also state some limitations of their study? Line 221: Please revise the sentence here. The word "whereas" doesn't feel appropriate and is confusing.
