#### **SPECIFIC COMMENTS TO AUTHORS**

Dear author, thank you for submitting the manuscript in the journal. Your manuscript was assessed thoroughly and found some important issues that should be revised- 1. There were multiple grammar and spelling mistakes that should be re-reviewed before submission. 2. Trismus due to fungal myositis is very rare, author should mention the type of fungus, which caused the case. 3. Author should also mention which antifungal drug was given and for how long in the case? Best regards
