This is to certify that the above referenced research project has been expedited approved by the Research Ethics Committee (REC) II of the China Medical University and Hospital on Jun. 12, 2020. The REC is organized under, and operates in accordance with, the Good Clinical Practices guidelines and the governmental laws and regulations. The frequency of continuing review for the research project determined by the REC is mentioned above. Please submit a completed progress report at least two months before the time at which continuing review must occur.

All the amendments to the research project should be re-submitted and approved by the REC BEFORE implementation. Also, the principal investigator is required to report all serious adverse events and unanticipated problems involving risks to the subjects or others on time.

Martin M-T Fuh MD, DMSci.

Chairman, Research Ethics Committee II
China Medical University & Hospital
