

**Dear Editors and Reviewers :**

On behalf of my co-authors, we are very grateful to you for giving us an opportunity to revise our manuscript. We appreciate you very much for your positive and constructive comments and suggestions on our manuscript entitled "Rare complication of acute adrenocortical dysfunction in adrenocortical carcinoma after transcatheter arterial chemoembolization: A case report" ( Manuscript NO. 67531, Case Report).

We have studied Editors/reviewers' comments carefully and tried our best to revise our manuscript according to the comments. The following are the responses and revisions I have made in response to the reviewers questions and suggestions on an item-by-item basis. Thanks again to the hard work of the editor and reviewer.

**Response to the comments of Company Editor-in-Chief**

**Comment No. 1:** The title should be no more than 18 words.

**Response:** Thanks to Company Editor-in-Chief for reminder, we have reduced the title to less than 18 words.

**Response to the comments of Science Editor**

**Comment No. 1:** The authors did not provide original figure documents.

**Response:** Thanks to Science Editor for good comment, we have uploaded the original figure documents.

We appreciate for Editors' warm work earnestly, and hope that the correction will meet with approval. Once again, thank you very much for your comments and suggestions.

Thank you and best regards.

Yours sincerely,

Zhi-long Wang
