

April 27, 2021

Dear Editors,

I declare that the authors of this manuscript are non-native English speakers.

All of us have previously authored articles in various international publications. Our paper has been reviewed by a colleague who is a professional translator.

Sincerely,

A handwritten signature in black ink, appearing to read "Eudret J. Wu". The signature is written in a cursive style with a large initial 'E' and a distinct 'W' at the end.
