The manuscript was re-read thoroughly by one of the co-authors, Nazar Beirag. Mr Beirag is a Dutch citizen, was educated at Cardiff University for his undergraduate and postgraduate degrees in Biomedical Science and immunohematology, respectively, and is currently researching infection and disease mechanisms as a Research Assistant and PhD student at Brunel University London. Beirag has more than six relevant publications in his field of research in the English language.

Nazar Beirag  
Doctoral researcher,  
Division of Biosciences,  
Brunel University London.
