

Dear Editor,

Please find our manuscript entitled “Successful treatment with erlotinib plus cabozantinib after Toxic epidermal necrolysis induced by AZD-9291 therapy in a patient with non-small cell lung cancer”, which we would like to submit for review to ***World Journal of Clinical Cases***.

The manuscript is an original work that has not been published or submitted to another journal. We also confirm that all the listed authors have participated actively in the study, and have seen and approved the submitted manuscript. The authors do not have any possible conflicts of interest.

Our paper have been checked by a native English speaker prior to submission.

We trust that the manuscript meets the high standard of ***World Journal of Clinical Cases*** and are looking forward to your positive response.

Thanks very much for your attention to our paper.

Sincerely yours.
