

# Proofread My Essay

---

27/06/2021

To whom it may concern:

The purpose of this letter is to verify that Zhongshan U-YES Translation Service CO. LTD provided the English proofreading services for the following thesis :Endoscopic joint capsule and articular process excision to treat lumbar facet joint syndrome: A case report

Author :Hongjie Yuan

The basic language editing including the correction of grammar, punctuation and syntax was performed normatively with our best efforts. And the edited document was returned to the writer on 27/06/2021. We are unaware of any changes or additions made to the manuscript after that time. We have kept the specimen of the received original file in case of any legal dispute.

Sincerely,

Hemy Graff
