

Dear Editor

Certificate of Non-Native speaker

I would like to inform you that my studies (undergraduate, postgraduate) as well as my research are in English language. Although, my native language is not English, but the first language in my work at the university is English.

Moreover, the article was checked by the linguistic adviser at the Faculty of Medicine, the University of Diyala, and corrected the mistakes which were highlighted with red color.

Kindly regards

Dr. Marwan Al-Nimer

Emeritus Professor
