Title: Hepatopulmonary Syndrome - An Update

Dear Sir/Madam

Attached, please find the revised manuscript based on the reviewer's comments. We hope that your readership will benefit and enjoy reading the revised manuscript. We also like to take this opportunity to thank the reviewer, editors and the editorial staff for their time, trust and patience. Please let us know with any questions

Warm regards

Salim Surani, MD, MPH, FACP, FCCP

#### Reviewer's comments & Response

1) This is a very well written review on hepatopulmonary syndrome It will be nice if the authors will add practical recommendation point at the end of the review.

Response: We appreciate the reviewer's comments and have modified the conclusion to provide practical recommendation at the end of the review. We thank the reviewer for the positive remarks.

**(1) Science editor:** 1 Scientific quality: The manuscript describes a minireview of the hepatopulmonary syndrome. The topic is within the scope of the WJH. (1) Classification: Grade B; (2) Summary of the Peer-Review Report: This is a very well written review on hepatopulmonary syndrome It will be nice if the authors will add practical recommendation point at the end of the review; (3) Format: There are 2 tables; (4) References: A total of 48 references are cited, including 6 references published in the last 3 years; (5) Self-cited references: There are no self-citations; and (6) References recommendations: The authors have the right to refuse to cite improper references recommended by the peer reviewer(s), especially references published by the peer reviewer(s) him/herself (themselves). If the authors find the peer reviewer(s) request for the authors to cite improper references published by him/herself (themselves), please send the peer reviewer's ID number to [editorialoffice@wjgnet.com](mailto:editorialoffice@wjgnet.com). The Editorial Office will close and remove the peer reviewer from the F6Publishing system immediately. 2 Language evaluation: Classification: Grade B. 3 Academic norms and rules: The authors should provide the signed Conflict-of-Interest Disclosure Form and Copyright License Agreement. No academic misconduct was found in the Bing search. 4 Supplementary comments: This is an invited manuscript. No financial support was obtained for the study. The topic has not previously been published in the WJH. 5 Issues raised: PMID and DOI numbers are missing in the reference list. Please provide the PubMed numbers and DOI citation

numbers to the reference list and list all authors of the references. Please revise throughout. 6  
Recommendation: Conditionally accepted.

Thanks for the positive comments. We have included the COI and copyright form as well as audio clip. We have added the DOI and PMID.
