

January 21, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 6840-Review).

Title: Bone marrow stem cell for the treatment of end-stage liver disease

Authors: Cristina Margini, Ranka Vukotic, Lucia Brodosi, Mauro Bernardi, Pietro Andreone

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 6840

The manuscript has been improved according to the suggestions of the reviewers.

1.Format has been updated, a core tip has been added, tables were located at the end of the article;

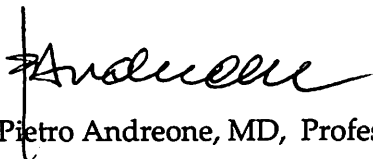

2.Revision has been made according to the suggestions of the reviewers

- (1) We clearly stated in the introduction which BMSCs will be discussed in the review;
- (2) We stressed the main issue of different source cells in the conclusions;
- (3) The editing company American Journal Experts edited and revised the manuscript ;
- (4) We gave a small conclusion at the end of each major section;

3.References and type setting were corrected; DOI code was not available for reference 39 , 55 and 70.

Thank you again for publishing our manuscript into the *World Journal Gastroenterology*,

Sincerely yours

Pietro Andreone, MD, Professor of Internal Medicine.
