To Whom It May Concern:

### CERTIFICATE OF LIGHT EDITING

This is to confirm that Dr. Sato's manuscript entitled "A case of a solid pseudopapillary neoplasm of the pancreas in a young male with main pancreatic duct dilatation" has been edited for basic grammar, spelling, and punctuation by a native English speaker at Forte, Inc. Forte is a Japan-based company that employs editors and rewriters with a science background. We have been helping the Japanese scientific community to publish in international journals since 1987.

While this certificate confirms the authors have used Forte's light editing services, the text has not been edited for content or structure. Furthermore, we cannot guarantee that additional changes have not been made after our edits. Should you require any additional information about our services, please do not hesitate to contact our office.

Sincerely,

Forte, Inc.
