

January 4th 2014

Dear Editor,

It is our belief that the manuscript titled

Focus on Alcoholic Liver Disease: from nosography to treatment,

Authors: Letitia Adela Maria Streba, Cristin Constantin Vere, Costin Teodor Streba, Marius Eugen Ciurea,

has reached a satisfactory level of English and can be graded with Grade A.

Since the last revision, the manuscript has been thoroughly reviewed by an English native speaker with a Ph D in medicine and sufficient experience in manuscript preparation.

All language changes are included in the latest version submitted through e-mail along with this guarantee.

Sincerely yours,

A handwritten signature in blue ink, appearing to be 'Costin Teodor Streba', with a stylized, flowing script.
