## BIostatistics REVIEW CERTIFICATE

To whom it may concern

This is to certify that the statistical review of the study titled "FEASIBILITY AND EFFICACY OF REMDESIVIR FOR HOSPITALIZED COVID-19 PATIENTS WITH END STAGE RENAL DISEASE" submitted to the world journal of critical care medicine has been performed by myself having expertise in biomedical statistics. I will be the guarantor for the integrity of the data and analysis plan.

Sincerely,

A handwritten signature in black ink, appearing to read "Amos Lal", with a stylized flourish at the end.

**Amos Lal, M.B.B.S, M.D, FACP**

Assistant Professor, Mayo Clinic College of Medicine

Chief Fellow, Critical Care Medicine

Division of Pulmonary, Critical Care and Sleep Medicine
