After receiving the comments, we provided the signed Conflict-of-Interest Disclosure Form and Copyright License Agreement. We also provided the original figure documents and arrange the figures using PowerPoint. We read the article carefully and made modifications by a native-english speaker for grammar, sentence structure, word usage, spelling, capitalization, punctuation, format, and general read ability. We shortened the abstract and the core tips according to journal requirements.

Thank you again for publishing our manuscript in the World Journal of  
Clinical Cases.

Sincerely Yours,

Li wenxiang
