To Whom it may be concern

Re: Biostatic review certificate.

Re: Dr. Reza Oskrochi

Hi WJG

Dr. Oskrochi is a professor of biostatistics from Oxford University, England. He is very well know scientist and he performed the biostatistics analysis for this study. He is currently a professor at American University of Kuwait.

Please let me know if you have any question.

Sincerely,

Hassan Ashktorab, Ph.D.

*Professor, Department of Medicine, Cancer center
Adjunct graduate professor of Human Genetic
University of Howard*

Reza Oskrochi, Ph.D
