Authors:

Akshyaya Pradhan

Date Issued:

June 20, 2021

Certificate Number:

E434

Falcon Scientific Editing specializes in the comprehensive preparation of scientific manuscripts that are targeted for publication in English language journals. We provide editing, technical translation, formatting, and illustration services for scientific manuscripts, grant proposals, conference presentations and posters, and professional school application essays and other scientific materials. All orders are edited by one or more professional scientific editors who hold advanced Ph.D. degrees and are either natively proficient in English or are native speakers.
