To Whom It May Concern:

I am writing this letter to certify that I am a native English speaker with experience in writing manuscripts, chapters, and reviews.

I collaborated with the manuscript "***Gastrointestinal symptoms in patients with COVID-19: Is there a relationship with mortality and new variations of SARS-CoV-2?***" and I have edited the article for proper English language, grammar, punctuation, and overall style.

Sincerely,

Sergio A. Sánchez-Luna, M.D.
