

## CERTIFICATE OF LANGUAGE EDITING

The English writing of the following manuscript was carefully edited by a native English speaker.

### Manuscript Information

ID	LE202112150255
Editing date	2021-12-17
Title	Effect of prior malignancy on the prognosis of gastric cancer and somatic mutation
Corresponding author	Senxiang Yan
Language writing before editing	<input type="checkbox"/> Very poor <input type="checkbox"/> Poor <input type="checkbox"/> Fair <input type="checkbox"/> Good <input checked="" type="checkbox"/> Very good <input type="checkbox"/> Excellent
Recommendation after language editing	<input type="checkbox"/> Submitting to target journal directly <input checked="" type="checkbox"/> Submitting to target journal after minor revision <input type="checkbox"/> Re-editing required after major revision <input type="checkbox"/> Not suitable for publication
Overview comments	Thank you for using EditorBar. This was a very nice study to read and edit. However, the editor observed one or two general issues; 1. Some statements were unclear and while suggestions were provided, some require more work. 2. Some repetition was removed. These are very minor issues. Good luck publishing this important research.
