This document certifies that the document listed above was edited by the professional editors at Proofers Ltd. The service of **proofreading** was chosen and therefore the following was delivered:

- ✓ Correcting all spelling mistakes – Ensuring that the spelling is perfect. We can adopt US or UK English, depending on client requirements.
- ✓ Correcting punctuation – Ensuring that all punctuation is used appropriately and inserted where necessary.
- ✓ Correcting all grammatical errors – Ensuring that your writing is grammatically correct.
- ✓ Checking references and citations – Ensuring that the references and citations comply with the required university style guidelines.
- ✓ Highlighting all edits – Using Track Changes so that all alterations are indicated in colour, allowing you to review the edits easily.

---

All amendments have been tracked using the 'track-changes' within MS Word, giving the customer the option to accept to reject the changes.
