Dean of Faculty of Medicine

Jordan University of Science and Technology

In reference to the scientific research which is presented by Dr. Ahmad Radideh, and Dr. Ziyad Mohaidat entitled:

Functional and radiological Outcome of different pin configuration for displaced pediatric supracondylar humeral fracture: a retrospective cohort study

We would like to inform you that the above research proposal has granted IRB approval, under the following conditions:

1. Commitment to the Scientific Research Policy at Jordan University of Science and Technology and King Abdullah University Hospital.
2. Maintaining data confidentiality and using it only for scientific purposes.
3. Consent form is not required.
4. This approval will be cancelled if the principal investigator doesn't provide IRB with the final report about the results of the research after five months.

Regards,

Prof. Yousef Al-Gaud

Chairman of the Institutional Review
